2. THE HIGH PRIESTESS

MAIN MESSAGE
Intuitive powers and messages from beyond

KEYWORDS
Listening to your intuition, introspection, visions and powerful nudges from Spirit, listening to your gut, hearing the heavens, secrets

CREATOR MUSING
Trust your instincts, and allow your projects to germinate in the sacred space of the liminal

WORD PROMPT
Sacred sheer

NOTES:
3. THE EMPRESS

MAIN MESSAGE
Nurturing, mothering love from the Universe

KEYWORDS
Divine feminine, embodiment of creation energy, healing, mothering, self-love, self-care, compassion, fertility, Gaia

CREATOR MUSING
You can create anything. Are you choosing to create things that nurture yourself, and others?

WORD PROMPT
Fruit from the creatrix

NOTES: ____________________________________________

_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
4. THE EMPEROR

MAIN MESSAGE
Successful and strategic structure and leadership

KEYWORDS
Divine masculine, planning and delivering, building and expanding an empire, legacy, a business person, visionary, provider, a time for strategic thinking

CREATOR MUSING
Your stable mountain of success is attainable with determination, confidence and your strategic leadership. But this mountain is only enjoyable when you bring your heart along for the ride

WORD PROMPT
Bedrock

NOTES: ____________________________________________
____________________________________________________
____________________________________________________
____________________________________________________
____________________________________________________
5. THE HIEROPHANT

MAIN MESSAGE
A spiritual teaching or leader, finding the guru or the teacher within

KEYWORDS
Failing or outdated systems or beliefs, crumbling hierarchies or institutions, finding faith in yourself, taking care not to give your power away to something shiny, a spiritual journey

CREATOR MUSING
It’s time to follow your own set of guiding principles and to create a life based on what you believe

WORD PROMPT
Institutionalized kindness

NOTES: ____________________________

6. THE LOVERS

MAIN MESSAGE
A choice to fall – or not to fall

KEYWORDS
soulmates, lovers, attraction, partnerships, a choice, sacred kinship, love

CREATOR MUSING
What would you create if the main ingredient was love? What partnership or collaboration? How would your life / work / projects change?

WORD PROMPT
• Essence of we
• Textures of entanglement

NOTES:
7. THE CHARIOT

MAIN MESSAGE
Confident willpower and controlled determination

KEYWORDS
movement, travel, believing in yourself, momentum, taking care not to step on others, moving fearlessly towards your dream, control, maneuvering different forces or ideas towards the same direction

CREATOR MUSING
You have the horsepower you need to get there.... do you know exactly where it is that you are headed? What does the destination look like?

WORD PROMPT
The ritual of will

8. STRENGTH

MAIN MESSAGE
Gentle influence and strength through courage

KEYWORDS
Fierce serenity, innocence, pure thoughts and actions, honest tranquility, gentle leadership, flexibility and strength in the face of uncertainty, purity, integrity, bravery

CREATOR MUSING
Forcing your way with brute strength is not what’s going to work for you. Take a gentle, confident approach and be flexible enough to move around any problems with your composed influence.

WORD PROMPTS
• Silent ferocity
• The quiet courage of angels
• My inner purr

NOTES: ____________________________

10. WHEEL OF FORTUNE

MAIN MESSAGE
A lucky time to move ahead

KEYWORDS
luck, destiny, the ups and downs of life, seeking serendipity, spinning the wheel of fortune, fortuitous timing

CREATOR MUSING
We often desire to create change when we feel discomfort, lack or dissatisfaction. What do you desire to create when you are in a place of joy? When the wheel of fortune is spinning in your favor, do you use its momentum to expand?

WORD PROMPT
Cycling vicissitude

NOTES: __________________________________________________________________________
__________________________________________________________________________________
__________________________________________________________________________________
__________________________________________________________________________________
__________________________________________________________________________________
__________________________________________________________________________________
__________________________________________________________________________________
__________________________________________________________________________________
11. JUSTICE

MAIN MESSAGE
Truth and integrity will be fairly and justly compensated

KEYWORDS
the law of cause and effect, being responsible for your choices and actions, balance, equity, fairness, doing the right thing, karma, ethics, consequences, values, knowing right from wrong, legal matters, retribution

CREATOR MUSING
The rules of art and creativity are often meant to be broken. As are the rules of life. When is it okay to break the rules? What are the consequences?

WORD PROMPT
Karmic alterations

NOTES:
12. THE HANGED MUSE

MAIN MESSAGE
Letting go of tightly held perspectives to see things anew

KEYWORDS
in flow with the Universe, flipping your perspective, new vantage points leading to acquired knowledge, spiritual lessons

CREATOR MUSING
It’s easy to listen to the vox populi to the point of totally yielding to the whim and whimsy of others. If you let go of your reputation and what others would say, what would your artistic soul desire to create for yourself?

WORD PROMPT
Insightful exposure

NOTES: 

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________
13. DEATH

MAIN MESSAGE
Death of one thing to make fertile soil for a new seed

KEYWORDS
opportunities for rebirth, regeneration and new things, the death of a relationship... an idea... a belief or a career, the beautiful metamorphosis of letting go of parts of you that are no longer needed, making sure you are not holding onto dead dreams and wishes

CREATOR MUSING
What are you letting go of and what are you welcoming in? When you move towards new growth, where does it take you?

WORD PROMPT
Rites, passage and rebirth

NOTES: ____________________________

_______________________________
14. TEMPERANCE

MAIN MESSAGE
Seek the middle path of moderation and flow with the energies that are around you

KEYWORDS
finding purpose, alchemy, the Goldilocks zone, staying away from excess, moderation, a blend of energies, meaningful encounters, harmony, balance, yin and yang, turning a life lesson into spiritual gold, patience, healing

CREATOR MUSING
If you were to blend all of your gifts and all of your loves, what life would you be creating?

WORD PROMPT
Measured moderation

NOTES: __________________________________________________________

______________________________________________________________

______________________________________________________________

______________________________________________________________

______________________________________________________________

______________________________________________________________

______________________________________________________________

______________________________________________________________
MAIN MESSAGE
Oh how tempting these vices can be. And oh how lovely the liberation from their pain.

KEYWORDS
addiction, bondage, being manipulated or feeling stuck in the confines of your story, needing to loosen up and have fun, liberation

CREATOR MUSING
How on earth will you find your way home when you don’t allow yourself the responsibility of being the one to blame for the direction you’ve taken?

WORD PROMPT
Servitude

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
16. THE TOWER

MAIN MESSAGE
Expect the unexpected, as massive change is shifting your way.

KEYWORDS
unexpected change, beliefs shattered, paradigms flipped, an opportunity to rebuild your life in new ways, being flexible when much needed change arrives, finding the light in the chaos

CREATOR MUSING
In the chaos of the tower you will find all the shards of light you need to find a brighter future. Sometimes, that which was hidden is finally revealed, and you can use these broken realities as foundations for a beautiful life.

WORD PROMPT
A rift in reality

NOTES: __________________________

_______________________________

17. THE STAR

MAIN MESSAGE
Renewed hope. Your dreams are on the way!

KEYWORDS
expectations, hope rewarded, positivity, renewed hope, dreams manifesting, having faith in divine timing, seeing the beauty in your situation

CREATOR MUSING
A hopeful heart finds all the opportunities that are showered down. This week, look for an amazing new seed to sprout, one that you hoped for in the past. Log its arrival.

WORD PROMPT
• Optimistically collected
• The gravity of shadows
• Birth place of starlight

NOTES: ___________________________________________
18. THE MOON

MAIN MESSAGE
Being unable to see in the dark means trusting your intuition and seeking to unveil what lies hidden in the shadows of the moonlight.

KEYWORDS
Illusions, hidden truths, shadows in the moonlight, obscured knowledge, that which you cannot see at this time, using your intuition, facing your fears, discernment.

CREATOR MUSING
We cannot always force creations to grow quickly. Sometimes, they must remain in the dark to root and sprout, and find their way. Our job is to be the guardians of their spark.

WORD PROMPT
Confusing reflections

NOTES:
19. THE SUN

MAIN MESSAGE
A powerful message of positivity and successful, happy outcomes

KEYWORDS
joy, happiness, celebration, family, forthcoming news of success or positive outcomes

CREATOR MUSING
‘When I’m successful, I’ll be happy’ ‘When I’m rich, I’ll be happy.’
‘When I find love, I will be happy.’ When you’re happy, you will find these things.

WORD PROMPT
Jovial rumination

NOTES: ____________________________________________

20. AWAKENING

MAIN MESSAGE
Awakening to your divine nature

KEYWORDS
Judgement, facing the music, awakening to your divine nature, 
accepting and forgiving your beautiful soul

CREATOR MUSING
When we accept our true paths – our purpose – our truth – we create 
from a place of true joy

WORD PROMPT
Intrinsic expansion

NOTES: ________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________
MAIN MESSAGE
Completion and full-circle joy are on the way!

KEYWORDS
ending of a cycle, success, attainment, celebration, ascension, tying up loose ends, travel plans, a reminder to follow through

CREATOR MUSING
Isn’t it lovely how endings and beginnings can look the same when you’re happy with your progress?

WORD PROMPT
Vibrational attainment

NOTES:
22. THE MUSE OF I AM

MAIN MESSAGE
Knowing your own essence

KEYWORDS
letting go of doubt, accepting your body – mind – and spirit, the essence of spirit and potential, you soul across time and space

CREATOR MUSING
When you tap into the essence of you across the timeline of your life, what creation overarches all of your work?

WORD PROMPT
I am _________.

ACE OF INSPIRATION

MAIN MESSAGE
Positive new beginnings are being sparked and turned into creative new ways to vision your future

KEYWORDS
new beginnings, fresh inspirations and ideas, opportunities, new cycles of manifestation, the genesis of hopes and dreams, creative downloads, pushing through blocks, inspiration, illuminated ideas, creative new ways of visioning your future

CREATOR MUSING
Our human perception of time is what makes creativity and the creation process important. Given all the time in the world, we could learn to create anything. Time is what makes our daily movement and motion valuable and necessary. How does father time influence your creative energy?

WORD PROMPT
• Invocations that spark
• The onset of the blaze
• Inceptions

NOTES: ____________________________

___________________________

___________________________

___________________________

___________________________

___________________________
MAIN MESSAGE
You could travel and see so many things, but it would be just so easy to stay here. Here, where you already know what to expect.

KEYWORDS
Seeking new paths for yourself, the activation of potential, deciding between staying in your comfort zone or experiencing what it's like elsewhere, wanting to experience new things, travel and adventure, home and family, a heart full of ideas that desire expression

CREATOR MUSING
You create your reality. Your life. People who seem to live extraordinary, exciting lives have made extraordinary, exciting choices. What life do you dream about? And what stops you from choosing to live it?

WORD PROMPT
Dreamy complacency

NOTES:

__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
3 OF INSPIRATION

MAIN MESSAGE
After taking the initial steps towards your goal, your dreams are on the way

KEYWORDS
progress, waiting for things to click into place, expansion of ideas, business opportunities, your dream is on the horizon, clarity on ambitions and goals, breathing into any frustration or pause that you are experiencing, knowing that things are lining up

CREATOR MUSING
When you’ve taken action, take the time to congratulate yourself! Even if the fruition isn’t apparent yet, you’ve moved your chess piece and things are aligning around the energy that you’ve moved. How do you honour your own courageous attempts and the strong foundations you are building?

WORD PROMPT
Fragments of performance

NOTES: __________________________________________

_________________________________________________________________________

_________________________________________________________________________

_________________________________________________________________________

_________________________________________________________________________

_________________________________________________________________________
**MAIN MESSAGE**
Enjoy a milestone event and time with loved ones

**KEYWORDS**
an event or gathering, community, time with friends and family, a celebration, constancy, a happy interval, can signify marriage or another important milestone

**CREATOR MUSING**
When we hold each other sacred in an event of events, we become more attuned to the energy of the dance. Are you holding those around you – both participants and witnesses, colleagues and clients, friends and family – as a sacred part of your story?

**WORD PROMPT**
A gala of stability

**NOTES:**

---

---

---

---

---

---

---

---
5 OF INSPIRATION

MAIN MESSAGE
Competition and rivalry

KEYWORDS
challenges, competition, “comparisonitis”, a need to collaborate, can signify fighting or trying to out-do one another

CREATOR MUSING
Competition can be our best friend when we allow it to push us to better ourselves.

WORD PROMPT
Bouts of discord

NOTES: ____________________________
__________________________________
__________________________________
__________________________________
__________________________________
__________________________________

__________________________________
6 OF INSPIRATION

MAIN MESSAGE
Victory and recognition

KEYWORDS
being seen, victory and coming out on top, a homecoming, a hero’s welcome, being recognized for a job well done, being thanked, the spotlight, healing your fear of success

CREATOR MUSING
The fear of being seen and the fear of success can foster self-sabotage. Do they ever block your ability to commit and to really ‘go for it’?

WORD PROMPTS
• Conspicuousness of success
• The truth of confetti

NOTES: ____________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
7 OF INSPIRATION

MAIN MESSAGE
Defending and protecting your own inner-light

KEYWORDS
being attacked, a need to defend your position, other people’s negative opinions or scarcity mindsets, a need to pay attention to your own energy, internal vs. external validation

CREATOR MUSING
On the way to success you will serve as a mirror for those who don’t believe in their own success yet. If you show up fearlessly, those who fear showing up may be triggered. In this way, creators are activated. Sometimes we are activated through the mirror of what we want, and sometimes through the mirror of what we don’t. Be open to being the mirror for others on their path, even if that means being the thing that gives them angst along the way. How do you model or learn from those around you? What activates your light?

WORD PROMPT
Obligatory bravado

NOTES: ________________________________
_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________
8 OF INSPIRATION

MAIN MESSAGE
The speed and velocity of freely flowing energy

KEYWORDS
fast energy, movement, travel, sometimes the breaking free of stuck patterns, running with an idea when inspiration hits

CREATOR MUSING
Fast is better than perfect.

WORD PROMPT
Ephemeral chances

NOTES:
9 OF INSPIRATION

MAIN MESSAGE
Seeing it through

KEYWORDS
last defense, following through, the final push to finish up, giving up too early, being overly vigilant, unwarranted defensiveness

CREATOR MUSING
Excellent starters of projects who don’t have the momentum and the energy to finish simply pave the way for someone else to push ideas past the finish line.

WORD PROMPT
• Winds of defiance
• A grain of resistance
• The long haul of happiness

NOTES: _______________________________________
_____________________________________________
_____________________________________________
_____________________________________________
_____________________________________________
MAIN MESSAGE
The heaviness of too many promises

KEYWORDS
responsibilities and burdens, taking on way too much, a time to see other paths that offer help and guidance along the way

CREATOR MUSING
What role does the stress of responsibility play in your life? Do you really have to move all of the pots, all by yourself, all at the same time? Prioritize and systematize to make your life easier.

WORD PROMPT
Nourishment of accepting

NOTES:_________________________________________________________
_________________________________________________________
_________________________________________________________
_________________________________________________________
_________________________________________________________
_________________________________________________________
_________________________________________________________
MAIN MESSAGE
Ideation and creativity abound!

KEYWORDS
A million sparks of ideas, all the enthusiasm at the beginning, brainstorming and planting seeds for new projects and futures, successful starts, vibrancy of youth, zest for life

CREATOR MUSING
Exciting new opportunities often mean learning new things and figuring out how to use the spark that arrives. Do you ever side-step these wildfire opportunities because you aren’t ‘the expert’? Do you shut an idea down before it has even begun to blossom?

WORD PROMPT
Rainclouds of ideation

NOTES: 
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
KNIGHT OF INSPIRATION

MAIN MESSAGE
Impulsive creation and inspiration

KEYWORDS
taking a risk, charging ahead, following your dream, fast output, spontaneous action, enthusiasm and the galloping pulse that gets things done, recklessness, haste

CREATOR MUSING
Do it now, your heart is beating for it. How often do you follow that impulse?

WORD PROMPT
• The color of charisma
• Purpose for wild abandon
• My magnetic symphony

NOTES: ____________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
QUEEN OF INSPIRATION

MAIN MESSAGE
Warm and confident joy

KEYWORDS
courage, warmth, confidence, power, dynamic enthusiasm, a creatrix, engaging conversations, a boisterous, bold and powerful leader

CREATOR MUSING
How often do you mute your intensity? Or soften your passion and determination in the name of being liked, understood or fitting in?

WORD PROMPT
The allure of intensity

NOTES: ____________________________________________________________
______________________________________________________________
______________________________________________________________
______________________________________________________________
______________________________________________________________
______________________________________________________________

______________________________________________________________
______________________________________________________________
______________________________________________________________
MUSE OF INSPIRATION

MAIN MESSAGE
Inspirational success and big visions

KEYWORDS
An inspired leader, a visionary, seeing long-term success, thinking big, able to bring many moving parts into one large story, remaining inspired, taking action

CREATOR MUSING
Without the continuous impulse of inspiration, we create a success that isn't ours to enjoy.

WORD PROMPTS
• Synchronicity sparked
• The finish line of the phoenix
• Visions of another me

NOTES: __________________________________________

_________________________________________________________________________

_________________________________________________________________________

_________________________________________________________________________

_________________________________________________________________________

_________________________________________________________________________

_________________________________________________________________________
ACE OF EMOTIONS

MAIN MESSAGE
Emotions emerging and the beginnings of new connections

KEYWORDS
new opportunities, new relationships, the start of exciting new feelings, compassion and creativity, emotional intelligence and the intuition of the heart, a time to connect with any repressed emotions and heal, unblocking creativity

CREATOR MUSING
Connecting – really connecting – what does it look like? Feel like?

WORD PROMPT
Reading your heartwaves

NOTES: ________________________________________________
_____________________________________________________
_____________________________________________________
_____________________________________________________
_____________________________________________________
2 OF EMOTIONS

MAIN MESSAGE
A message of relationships and partnerships, and loving connections

KEYWORDS
love, friendship, romance, partnerships, connecting with others, soulmates, relationships, mutual attraction

CREATOR MUSING
Partnerships take many forms, and the best creative catalysts offer a mutually beneficial win-win for everyone involved. What happens when you look at the wins for you vs. the wins for others in your creative endeavours and collaborative relationships?

WORD PROMPT
Consorting with devotion

NOTES: ____________________________________________
_________________________________________________
_________________________________________________
_________________________________________________
_________________________________________________
_________________________________________________
_________________________________________________
3 OF EMOTIONS

MAIN MESSAGE
Look to your soul family for support, friendship and joy

KEYWORDS
soul sisters, soul siblings, connected hearts, deep friendships, mother-maiden-crone connections, sometimes a love triangle, connection and collaboration

CREATOR MUSING
3 hearts beat stronger than one, and their rhythmic patterns interconnect in the most beautiful of ways. Are you listening closely enough to hear the heart desires of those you surround yourself with?

WORD PROMPT
Soul collection

NOTES: ____________________________________________
_________________________________________________
MAIN MESSAGE
Don’t miss out on the wonderful things you have, while searching for something better

KEYWORDS
boredom, dissatisfaction, seeking better, missing opportunities, missing the bigger picture, a time for contemplation and meditation

CREATOR MUSING
‘She was never bored because she was never being boring.’
-Pet Shop Boys wisdom

Sometimes we can’t see out biggest talents and gifts because they are so much a part of us... so ‘in us’ that they seem completely normal. What are the things you do really well, but take for granted?

WORD PROMPT
Apathy and magick

NOTES: ________________________________________________________________
__________________________
__________________________
__________________________
__________________________
__________________________
__________________________
__________________________
__________________________
5 OF EMOTIONS

MAIN MESSAGE
Processing sadness or grief

KEYWORDS
grief, loss, getting stuck in a negative pattern or emotion, not seeing the way out, allowing an unwanted pattern to become who you are, crying over spilt milk, learned helplessness, the time to find new hope and turn towards the things that bring you joy, turning your heart to the light

CREATOR MUSING
We can become enamored with our own shadows, as they make us feel proud to have endured so much. They can make us believe we are: ‘deep’ ‘healing’ spiritual’ and ‘profound’ and our ‘dark night of the soul’ can give us strength. Love all the parts of you, but don’t love the shadow so much that you don’t allow it to be processed, healed and released.

WORD PROMPT
Stolen lifeforce

NOTES: ____________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
**MAIN MESSAGE**
Nostalgia and past memories show up in the present

**KEYWORDS**
old friends, old loves, old memories coming back, feelings of nostalgia, remembering things from the past, a time to reach out to those you were close to, a beautiful mirror of how far you’ve come

**CREATOR MUSING**
You are the future self of your inner child. Do you call on your wisdom in order to lead that child enough? Are you modelling the behaviour that will get you where you want to be?

**WORD PROMPT**
Sepia colored recall

NOTES: ____________________________________________
_____________________________________________________________________________________________________
_____________________________________________________________________________________________________
_____________________________________________________________________________________________________
_____________________________________________________________________________________________________
_____________________________________________________________________________________________________
7 OF EMOTIONS

MAIN MESSAGE
Daydreaming about the choices and the future

KEYWORDS
choosing between desires, manifesting, fantasizing your way into the future, needing to choose, prioritizing options, alignment of values, illusions, seeing which opportunities are real

CREATOR MUSING
What do you hold dearest? Spirit or Wealth? Success or happiness? Color or structure? Metaphor or clarity? Knowing the parameters you prefer will help you to create within that bubble, and happily dive into your own potential

WORD PROMPT
Collapsing a choice into reality

NOTES: ____________________________________________
8 OF EMOTIONS

MAIN MESSAGE
Walking away from that which simply does not fit anymore

KEYWORDS
letting go of old wounds and stories, an opportunity to choose the best path for yourself, the first day of a new life, walking away from a negative situation, feelings of disappointment

CREATOR MUSING
What needs to be let go of, in order make space to create something new?

WORD PROMPT
• Unveiling the sun
• Dropping the frozen parts
• of the now

IO OF EMOTIONS

MAIN MESSAGE
Joyful, meaningful connection

KEYWORDS
community, a completion, emotional joy and happiness, fulfilment, a Spiritual awakening, being heart-led and on purpose, connecting with the Universe and with others in love

CREATOR MUSING
Connection is intoxicating.

WORD PROMPT
• Celestial smile
• Knots of love
• Ancestral bounties

NOTES:
PAGE OF EMOTIONS

MAIN MESSAGE
Serendipitous, playful and unexpected magick

KEYWORDS
seeking joy, synchronicity, creativity, playfulness, finding new possibility, opportunities to refresh and rejoice, a mystical and poetic energy, a youthful and imaginative person

CREATOR MUSING
Magick happens when you most expect it. ;)

WORD PROMPT
swimming in the visceral

NOTES: ____________________________________________

MUSE OF EMOTIONS

MAIN MESSAGE
Inner-joy and the calm, contemplative bliss of love and compassion

KEYWORDS
Emotional joy and the freedom to feel all of the emotions as a way to self-discovery, meditative states, inner-calmness and knowing, being totally in-touch with your desires and emotions, balanced and peaceful, avoiding moodiness

CREATOR MUSING
The transcendent state of bliss. What does that feel like in your body? Where does it reside? What does it take to experience it? And why aren’t you doing more of that as a way to regulate the happiness in your life?

WORD PROMPTS
• The raft of harmonic alignment
• Rinsing the shadow

____________________________________________________
____________________________________________________
ACE OF VOICES

MAIN MESSAGE
The flash of clarity and fresh insight

KEYWORDS
a new idea or thought, clear thinking, an a-ha moment, finally understanding, insight coming through, a new paradigm, an inspired way of thinking, new goals and realities

CREATOR MUSING
When a-ha's comes barreling down from source, it's time to capture and scribe.

WORD PROMPT
Flashlight of truth

NOTES: _____________________________________________________________
2 OF VOICES

MAIN MESSAGE
Indecision with no clarity in sight

KEYWORDS
choices, indecision, feeling like you are between a rock and hard place, not knowing what to do, silent intuition

CREATOR MUSING
This is the moment that makes life exciting. Even though you don’t know it now, these moments of ‘which way’ mark beautiful beginnings of paths chosen.

WORD PROMPT
The many faces of the wind

3 OF VOICES

MAIN MESSAGE
A painful separation from your reality

KEYWORDS
heartbreak, sorrow, loss, unexpected let-downs, relationships ending, pain and wounding

CREATOR MUSING
Inside of our deepest trauma and sadness lie the longest trajectories of light

WORD PROMPTS
• Slices of sadness
• When the wind howls
• The taste of a broken voice

NOTES: ____________________________

MAIN MESSAGE
A time for deep rest and healing

KEYWORDS
sleep, rest and renewal, the edge of burnout, needing to slow down, taking the time you need, self-love and compassion, retreat

CREATOR MUSING
How are you replacing your energy, so that you can keep creating your path of starlight?

WORD PROMPTS
• Starlight massage
• Petals that sleep
• Squeezing time for divinity into a lunch break
5 OF VOICES

MAIN MESSAGE
feelings of defeat

KEYWORDS
fighting, winning at all costs, a time to extend an olive branch, seeing what’s really important, failure, loss, being hurt, bullying

CREATOR MUSING
Sometimes when we lose, we win. And sometimes when we win, we lose. Define what winning means to you... not just the end goal but also define how you will feel, and how others around you feel. And make some boundaries around what you will do (or not do) in order to get there.

WORD PROMPTS
• Social moths
• Bullied into believing
• The voice of amnesty

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
MAIN MESSAGE
a helping hand during a difficult period of transition

KEYWORDS
help coming from unexpected places, a realignment, transitions, phases, quiet movement, successful expansion after a period of difficulty, crossing thresholds, change

CREATOR MUSING
How could you realign your life so that it better suits you, today? What transitory beauty will arise from the uncertainty of crossing this threshold?

WORD PROMPT
• Distance covered in the hands of the Muse
• The missing transitions

NOTES: ____________________________
7 OF VOICES

MAIN MESSAGE
Stay clear of trickery, thievery or dishonesty

KEYWORDS
deception, taking only what you need, being honest and aligned, carefully tuning in to see what’s really going on in a situation, seeing past illusion and deceit, con-artists and copycats

CREATOR MUSING
While the path of deception into clarity can be one filled with disappointment, it can also be dripping with opportunities to create a better, more honest and aligned bridge. When you create from YOUR voice... YOUR inner-musings and YOUR bridge of truth... what do you express? Make the idea YOURS.

WORD PROMPT
• Lies that lie in the aftermath of illusion
• Stealing voices
• The color of my true bridge

8 OF VOICES

MAIN MESSAGE
The powering or disempowering effect of belief

KEYWORDS
feeling stuck, bound, believing you have no choices, a self-tethering, no way out, unleashing your ties, seeing truth

CREATOR MUSING
Are you stuck in the weeds of your own creation? Caught in the minutiae, assuming you have no choice? See things from a higher place – a longer timeline – a better mindset, and notice that you can choose to move any time you want.

WORD PROMPT
• The chains of security
• The bindings that lie
• Clasping at my scream

9 OF VOICES

MAIN MESSAGE
The illusions of nightmares or anxiety

KEYWORDS
nightmares, night terrors, illusions, anxiety, worry keeping you up at night, insomnia

CREATOR MUSING
Dreams help us to process reality, our worries, our day-to-day experiences. They are also portals to the liminal. They open up our awareness to our own infinite natures. Are you using your sleep to your benefit?

WORD PROMPT
• Screaming to sleep
• In the arms of the sandman
• Lullabies and voices

10 OF VOICES

MAIN MESSAGE
Disillusion, being stabbed in the back

KEYWORDS
painful truth or realization, deception or betrayal, seeing the world in a completely new way, harsh endings

CREATOR MUSING
Moments of blinding truth offer the most potential to heal, to grow and to rise into a greater version of yourself. What version of YOU are you rising up to become? What version of your life are you rising up to meet?

WORD PROMPT
- Gashed simplicity
- In the throes of reality
- 10 truthful voices prepare for battle

KNIGHT OF VOICES

MAIN MESSAGE
A quick and intelligent heroic energy

KEYWORDS
boldly speaking the truth, impulsive and swift energy, purpose-driven, fast and logical thinking, a drive to succeed, taking action, intelligence, impulsivity, unfocused, overbearing

CREATOR MUSING
Where lies the balance between a total control freak and domineering your project to bring it to life, and allowing it to spring forth using the inspiration and the wings of the Universe? Do you push or pause? Breathe in the inspiration or breath out the idea?

WORD PROMPT
• On the heels of the heroic
• A wing of truth
• Distant consequences

NOTES: ___________________________________________
QUEEN OF VOICES

MAIN MESSAGE
Taste the wind, truthspeaker

KEYWORDS
an honest and astute leader, wisdom, ability to cut through the bullshit, clear vision and clear communication, wit, intelligent and wise advice, strategic thinking

CREATOR MUSING
When you speak your truth into the world, bravely, honestly, and without corruption

WORD PROMPT
Clearly flapping

ACE OF MATERIALS

MAIN MESSAGE
Planting fresh new beginnings

KEYWORDS
exciting new ventures, new opportunities, fresh roots and brand new beginnings, future comforts, manifesting abundance, potential for massive prosperity

CREATOR MUSING
What are you planting, creator love, with your mind and your heart and your wishes?

WORD PROMPT
On the cusp of an evolution

NOTES: ___________________________
MAIN MESSAGE
Juggling responsibilities and options

KEYWORDS
finding balance, centering, grounding, tasks, too many to-do’s, trying to manage too many priorities, financial decisions, managing resources, staying afloat, feeling overwhelmed

CREATOR MUSING
Are you doing everything so-so or one thing tremendously well? Are you able to manage all of those things you're juggling?

WORD PROMPT
Juggler of multiple voices

NOTES: ____________________________
3 OF MATERIALS

MAIN MESSAGE
Collaboration and siblinghood

KEYWORDS
teamwork, group dynamics, relationships and responsibilities, mentors and students, getting along, helping one another, the magic of collaboration, coming together for a common goal, fusing energies

CREATOR MUSING
Conscious collaboration can propel our magic ahead, and open infinite possibilities for our life. Working with others is a unique joy and collaborations hold deep pockets of opportunity. They also highlight both our biggest strengths and our biggest flaws, and aligned partnerships will compliment and make use of both. //

WORD PROMPT
Collaboration of souls
